

Call for Applications: SEA Board of Directors

The Saskatchewan Epidemiology Association is currently accepting applications for membership on its Board of Directors.

The Board of Directors advances the mission of SEA *to be leaders in the application of Epidemiology in Saskatchewan*. Its role includes fiduciary responsibility, governance and strategic planning, stakeholder communications, and oversight of business.

At this time, we are looking for directors interested in supporting this unique association of members that includes those interested in epidemiology from both the human and veterinary health fields.

Public health professionals, researchers, policy-makers, academics, students and others working in the public health sector are encouraged to apply.

We are looking to fill both student and non-students positions on the board. The positions are two-year terms with the possibility of extension.

To apply to serve on the Board of Directors, please submit a short statement of interest outlining your interest in the SEA board and your skills and qualifications. Contact us at saskepiassoc@gmail.com. **The deadline to apply is September 20th 2018.**
